

Footprints

One night I dreamed I was walking along the beach
with the Lord.

Many scenes from my life flashed across the sky.
In each scene I noticed footprints in the sand.
Sometimes there were two sets of footprints,
other times there were one set of footprints.

This bothered me because I noticed
that during the low periods of my life,
when I was suffering from
anguish, sorrow or defeat,
I could see only one set of footprints.

So I said to the Lord,
"You promised me Lord,
that if I followed you,
you would walk with me always.
But I have noticed that during
the most trying periods of my life
there have only been one
set of footprints in the sand.
Why, when I needed you most,
you have not been there for me?"

The Lord replied,
"The times when you have
seen only one set of footprints,
is when I carried you."

Going Home

Birds in Flight symbolizes
the end of a Christian life.

One bird is shown leaving the flock
and "going home" to his final reward.

The three remaining birds
continue their journey through life
with peace of mind,
knowing their lost loved one
is now in God's hands.
