

God's Garden Must Be Beautiful

God looked around his garden,
And found an empty place.
He then looked down upon the earth,
And saw your tired face.
He put his arms around you,
And lifted you to rest;
God's garden must be beautiful –
He always takes the best.
He knew that you were suffering,
He knew you were in pain;
He knew you would never get well on earth again.
He saw the road was getting rough,
And hills were hard to climb,
So he closed your weary eyelids, and whispered,
"Peace be thine."
It broke our hearts to lose you,
But you didn't go alone,
For a part of us went with you,
The day God called you home.

Lovingly Remembering

Sandra White

November 4, 1972 — November 12, 2022

SANDRA "SAS" LOUISE WHITE, passed away peacefully surrounded by her family at St. Michael's Health Centre, on Saturday, November 12, 2022 at the age of 50 years.

Our "Sas" was born in Cranbrook, B.C. on November 4, 1972 to Ray and Phyllis White, a sister to Joan and Max. Growing up she was always a happy child whose favourite pastime was telling stories. While still in high school, Sandra worked in an insurance office as a licensed agent, but her dream was always to become a nurse. She was able to achieve this dream, and worked the last 24+ years at Chinook Regional Hospital in Lethbridge, AB.

April of 2009 was the happiest time in Sandra's life when she became Mom to her beautiful daughter Mataya, and for the last 14 years the two of them have been sharing life's adventures. Growing up in the Kootenays, the White family spent most of their weekends camping; Sandra and Mataya continued that tradition. They loved to spend as much time as they could out at their trailer at Koocanusa with their camp family. Sandra's greatest love was her relationships with family and friends. She was a wonderful, fun, and loving daughter, sister, auntie and most of all Best Friend and Mom to Mataya.

The family would like to say thank you for the wonderful care that she received from the doctors, nurses and all the staff at Chinook Regional Hospital and St. Michael's Health Centre.
