

Let Me Go

When I come to the end of the day
And the sun has set for me,
I want no rites in a gloom filled room.
Why cry for a

soul set free?

Miss me a little, but not for too long

And not with your head bowed low.
Remember the love we once shared-
Miss me, but let me go.

For this is a journey we must all take,
And each must go alone.

It's all part of the Maker's plan,
A step on the road to **HOME**.

When you are lonely and sick at heart,
Go to the friends we know, and bury your
sorrows in good deeds-

Miss me, but let me go.
