

In Memoriam

For a second you were flying,
like you always wanted to.
Now you'll fly forever,
in skies of azure blue.
We'll see your smile in every ray
of sunshine after the rain.
And hear the echo of your laughter
over all the pain.
The world's a little quieter now,
the colors have lost their hue.
The birds are singing softly,
and our hearts are missing you.
Each time we see a little cloud
or a rainbow soaring high,
we'll think of you and gently
wipe a tear from our eye.

Always In Our Hearts

Kelly Mantler

January 17, 1961 - March 13, 2021

Kelly Anne Mantler passed away peacefully on Saturday March 13, 2021 surrounded by her loving family.

Kelly Hillstead was born January 17, 1961 in Regina Saskatchewan. She was welcomed into this world by her parents Morris and Fern. The oldest of three daughters, Kelly had a deep love for her little sisters Barbara and Charlotte.

Kelly always leaned into the mother role, kindly leading and taking care of her siblings and friends. She was a social butterfly spreading laughter and love anywhere she went and often stating she was the funniest person she knew. Kelly had 2 children, Matthew and Danelle and later 2 grandchildren Seirah and Aaliyah. Raising her children and grandchildren, she always taught them good morals, manners and best of all wit and humor.

Kelly enjoyed travelling and seeing new places with family and friends, her favourite spot being Mexico. She always made new vacation buddies on her adventures and often got told the special secrets of the places. There was no possible way to stop her from dancing and singing along with staff and travellers, which she did not only for fun but to embarrass her children. Matt and Danelle quickly learned it was more fun to just join in with her. She loved to laugh and that lives on in her family.

Kelly was very passionate about her work. She touched the hearts of many staff and patients from every walk of life. She selflessly offered to help anyone in need of support. Kelly will be remembered for her contributions, teachings and great demeanor she carried with her every step she took.

Today we gather not to grieve the loss of this amazing woman but to celebrate the times we had with her and the memories we will keep in our hearts forever.
