

## Footprints

One night I dreamed a dream.

I was walking along the beach with my Lord. Across the dark sky flashed scenes from my life. For each scene, I noticed two sets of footprints in the sand, one belonging to me and one to my Lord.

When the last scene of my life shot before me I looked back at the footprints in the sand. There was only one set of footprints. I realized that this was at the lowest and saddest times of my life. This always bothered me and I questioned the Lord about my dilemma.

"Lord, You told me when I decided to follow You, You would walk and talk with me all the way. But I'm aware that during the most troublesome times of my life there is only one set of footprints. I just don't understand why, when I need You most, You leave me."

He whispered, "My precious child, I love you and will never leave you, never, ever, during your trials and Tribulations. When you saw only one set of footprints, It was then that I carried you."

Janice was born on Nov. 27, 1948 in Regina, SK where Bill and Jan met and were married on July 13, 1968. They spent the next 55 years together building and nurturing their loving family. She was not only a devoted wife, mother, and grandmother, but she was also passionate about her church, her faith, and her community.

She was graced with incredible strength to endure the many physical hardships that our Lord put before her. She was admired by all for the love and kindness she shared everyday.

Always the accommodating hostess, she welcomed all. She loved to cook and her baking was enjoyed by many. She always looked forward to the comfort and friendship she had with her Monday night card group.
