Robert Mason Blair

JULY 28, 1988 - JUNE 26, 2019

It is with great sadness that we announce the passing of **Robert Blair** on Wednesday, June 26, 2019 at the age of 30 years.

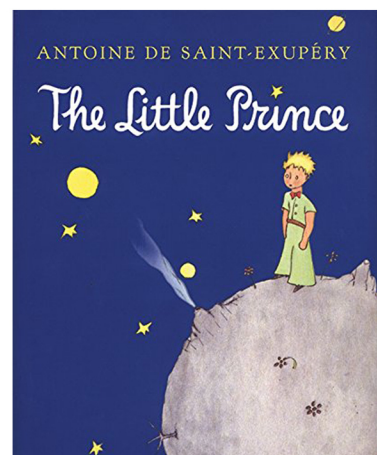

Rob was a wonderful son to Gordon & Pamela Blair and brother to Charlie. He will be greatly missed by his aunts, uncles, cousins, two grandmas—who knew his favourite treats—and many friends made along the journey.

He will be remembered by many for his sparkling eyes, easy demeanour and smile, laughter and giggles, and always kindness.

Rob loved to travel; he visited Ontario over many summers to spend time with relatives and later studied and traveled in Europe.

He was a graduate of Agnes Davidson, Gilbert Patterson, LCI and the University of Lethbridge (Math). Rob, in his last few years, struggled with his mental illness, which eventually led to his passing. He needs to be remembered not for this, but for the happy-go-lucky fellow that he was.

In lieu of flowers etc., any donations to the Schizophrenia Society of Alberta would be gratefully appreciated so that others may be helped: www.schizophrenia.ab.ca/how-i-can-help

*Once the little prince fell asleep,
I picked him up in my arms and set
off on my way again.
I was so moved as I walked.*

*It seemed to me that I was carrying in my arms
the most delicate of treasures,*

*that there could be nothing more fragile on the whole Earth.
In the light of the moon I looked down on this pale forehead,
those closed eyes, those locks of his that trembled in the wind.*

*“What I am seeing,” I thought, “is no more than a shell.
What is truly important I cannot see.”*

Forever Loved,
Mom, Dad and Charlie
