

He is Gone

You can shed tears that he his gone
Or you can smile
because he has lived
You can close your eyes and pray that
he will come back
Or you can open your eyes
and see all that he has left
Your heart can be empty
because you can't see him
Or you can be full of the love that you shared
You can turn your back on tomorrow
and live yesterday
Or you can be happy for tomorrow
because of yesterday
You can remember him and only that he is gone
Or you can cherish his memory
and let it live on
You can cry and close your mind,
be empty and turn your back
Or you can do what he would want: smile,
open your eyes, love and go on.
