

Hold the door, say "please", say "thank you"
Don't steal, don't cheat, and don't lie
I know you got mountains to climb
But always stay humble and kind
When the dreams you're dreamin' come to you
When the work you put in is realized
Let yourself feel the pride
But always stay humble and kind

"Humble & Kind"
by Tim McGraw

And now I'm glad I didn't know
The way it all would end, the way it all would go
Our lives are better left to chance
I could have missed the pain
But I'd have had to miss the dance

"The Dance"
