

## *A Truckers Prayer*

*Oh Lord, be with me today as I head out onto the open road, for I know not the dangers that this day may hold with a map by my side.  
Oh Lord, let it be you that is my daily guide and as I head out to where the yellow line never ends it is sure good to know that You will be riding with me once again and when I have taken my last load, there will be one final trip that I must take, one that will be on a road that is paved with gold, and there I will rest. For there will be no more trips to take once I have entered Heavens Gates.*

Honoured to serve the family of Robert Boulay
