

Here I lay on my last night,
waiting for Him in my sight.
One last night I am to be
the dad, the father I was to thee.
Proud of them all, my thoughts tell me,
they all grew up so successfully!

To my wife I want to say:
thank you so much for every day.
You were the one who saw me through
any days that I felt blue.
Your love I felt everyday,
and again I thank you in every way.

So with a smile on my face,
off to heaven I do race.

To the family I
want to see,
together again you
know we will be.
So I say one
last time,
don't worry about
me,
I am fine!
