## HOW FAR IS HEAVEN

How far is heaven, let's go tonight  
I want my daddy to hold me tight.

A little girl was waiting for her daddy one day  
it was time to meet him, when she heard her mama say  
come to Mama, darling, please do not cry  
Daddy's gone to heaven way up in the sky.

How far is it been, when can I go  
To see my daddy, he's there I know  
How far is heaven, let's go tonight  
I want my daddy to hold me tight.

He was called so suddenly and could not say goodbye  
I know that he's in heaven, will meet him by and by  
the little girl trembled, hurt if she could not hide  
she looked up to her as heaven and then she replied.

How far is it been, when can I go  
To see my daddy, he's there I know  
How far is heaven, let's go tonight  
I want my daddy to hold me tight.
