

"Think of friends or family members who loved Jesus and are with him now. Picture them with you, walking together in this place. All of you have powerful bodies, stronger than those of an Olympic decathlete. You are laughing, playing, talking, and reminiscing. You reach up to a tree to pick an apple or orange. You take a bite. It's so sweet that it's startling. You've never tasted anything so good. Now you see someone coming toward you. It's Jesus, with a big smile on his face. You fall to your knees in worship. He pulls you up and embraces you."

Lovingly Remembering

Rhonda Krause

July 8, 1963 — January 5, 2023

It is with heavy hearts that we announce the passing of **RHONDA SUSAN KRAUSE** who went to be with her Lord and Saviour on January 5, 2023 at the age of 59 years.

Rhonda is survived by her beloved husband, Gregory Krause, and her loving daughter Morgan Krause. She is also survived by her mother Verna Nordby; sister's-in-law Kelly Krause, Gwen (Marv) Warkentin, Colleen (Andy) Bourett; and numerous nieces and nephews.

Rhonda was predeceased by her father Arne Nordby, father-in-law Henry Krause, mother-in-law Shirley Krause, and brother-in-law Lyle Krause.

Rhonda was born in Beaverlodge, AB on July 8, 1963 to Arne and Verna Nordby. She lived in Valhalla Centre, AB until she went to university in Lethbridge to become a music teacher. While attending university, she met Greg Krause and they were married on July 6, 1985. Shortly after they were married, Rhonda received the diagnosis of Type 1 Diabetes. In 1990, they had their daughter Morgan. In 1991, they moved back to the family farm near Valhalla Centre. Rhonda worked as a piano teacher and was very involved in the community, often playing piano for community events or helping in the local library. She was also very active in volunteering for her church by playing for regular worship services, weddings, and funerals. In 2016, her health began to decline and they moved back to Lethbridge where Rhonda started dialysis. Over the last six years of her life, her health continued to decline while she had many surgeries and treatments. She was strong and courageous through it all and kept her eyes on where she was going when it was all over.
