

Our lives go on without you
 But nothing is the same,
 We have to hide our heartaches
 When someone speaks your name.
 Sad are the hearts that love you
 Silent the tears that fall,
 Living our hearts without you
 Is the hardest part of all.
 You did so many things for us
 Your heart was kind and true,
 And when we needed someone
 We could always count on you.
 The special years will not return
 When we were all together,
 But with the love within our hearts
 You will walk with us forever.

THE LOVE OF A
