

## A *Prayer* FOR A TRUCK DRIVER

Please bless him while he's on the road.  
Protect him from the wind, rain and cold.  
Help him stay between the white lines  
So he can make his destination on time.

Find him a load quickly, and make it home soon.  
Lighten the road with your stars and the moon.  
Let him rest peacefully in his sleeper's bed,  
And find a good meal and fresh coffee ahead.

Let the home fires keep burning while he's movin' on.  
Give me strength and wisdom to care while he's gone.  
Help him remember when he's all alone,  
That his loving family is waiting at home.

LOVINGLY REMEMBERED

*Bill Webber*

NOV. 20, 1961 — SEPT. 12, 2019

**William Christian "Bill" Webber** of Lethbridge, beloved husband, father, papa, brother and uncle, passed away peacefully at St. Michael's Health Centre - Palliative Care Unit on Thursday, September 12, 2019 at the age of 57 years.

Bill is survived by his loving wife, Anna-Marie and his children, Tyson (Becca) and Tannis, as well as their grandchildren, Gage and Chevy. He is also survived by his stepchildren, Jamie (Cheryl), Cody, and Corbin; his siblings, Larry (Kelly), Shirley (Cam) and Kathy (Bob); half sisters Else, Sharmon and Gaylynn as well as numerous extended family, friends and coworkers.

Bill was predeceased by his parents, Tina & Norman; his sister, Debbie; his daughter, Kendall and his great-niece, Sloane.

It is fair to say anyone's first impression of Bill was that of respect. He was a man of tremendous integrity and his love was fierce, strong, true, real and forever.

Some of Bill's favourite sayings were, "Oh for five cents", "What is, what is", "No worries!", "Education is expensive, but not learning the first time is more expensive" and "Be strong and carry on."

His favourite pastimes were golfing, fishing, shooting pool and watching sports on TV.

Bill was everyone's pillar. He never acknowledged the impact he had on his loved ones. He left behind shoes that cannot be filled.
