

I Heard Your Voice in the Wind Today

I heard your voice in the wind today
and I turned to see your face;
The warmth of the wind caressed me
as I stood silently in place.

I felt your touch in the sun today
as its warmth filled the sky;
I closed my eyes for your embrace
and my spirit soared high.

I saw your eyes in the window pane
as I watched the falling rain;
It seemed as each raindrop fell
it quietly said your name.

I held you close in my heart today
it made me feel complete;
You may have died...but you are not gone
you will always be a part of me.

As long as the sun shines...
the wind blows... the rain falls...
You will live on inside of me forever
for that is all my heart knows.
