

*Then I saw "a new heaven and a new earth," for the first heaven and the first earth had passed away, and there was no longer any sea. I saw the Holy City, the new Jerusalem, coming down out of heaven from God, prepared as a bride beautifully dressed for her husband.*

*And I heard a loud voice from the throne saying,*

*"Look! God's dwelling place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God. 'He will wipe every tear from their eyes. There will be no more death' or mourning or crying or pain, for the old order of things has passed away."*

*He who was seated on the throne said,*

*"I am making everything new!" Then he said, "Write this down, for these words are trustworthy and true."*

*He said to me, "It is done. I am the Alpha and the Omega, the Beginning and the End. To the thirsty I will give water without cost from the spring of the water of life. Those who are victorious will inherit all this, and I will be their God and they will be my children."*

Lucy Boron was born September 14, 1932 in Bialoboki, Poland. She immigrated to Canada after WWII and moved to Manitoba at age 17 with her family. Later making her way to Lethbridge, she met her husband Ted and raised her four children. Lucy had a long career at York Farms where she made great friends.

She enjoyed going to dances and travelling. She spent time touring the USA, visiting Poland with her daughter and witnessed her granddaughters getting married in Kelowna, Mexico and Jamaica. We remember her amazing meals and wonderful baking.

She spent a lot of her retirement helping care for her grandchildren teaching them how to sew, bake and play dice. She was devoted to the Catholic Church and faithfully attended service at St. Basil's where she worshiped with her community.
