

I haven't always followed the rules and
mischief found me a time or two;
But my heart was in the right place, in
everything I tried to do.

Material stuff didn't matter so much, I chose to
live life humbly;
True riches were found where it counted most,
abundance of friends and family.

My time on Earth seemed brief, but I hope the
memories will endure on;
And although you can't see me, please
remember I'm not really gone.

Sometimes our trail gets rough, we may break
down and start losing light;
But 'Tomorrow's another day' ... I'm still by
your side and ... 'It'll be alright'.
