## ADDITIONAL CONTEST NOTES

1. Listeners can sign-up on the WJXB 97.5's \$1000.00 Minute 2024 page at B975.COM. After signing up, contestants will be randomly selected to play and will be notified prior to participation of the contest. (see standard \$1000 Minute Rules available on our site for how to play the game. This contest runs in conjunction with the standard \$1000 Minute contest - meaning - a successful candidate is playing two contests in one and is eligible for both prizes!)
2. Contestant for that morning will be called at approximately 7:10am. If call goes unanswered, WJXB will try one additional time. \*\*Actual person who was called must be the person playing the game, no proxies are allowed.
3. If call goes unanswered a second time, contestant forfeits their opportunity to play that day. (However, this will not disqualify them from potentially playing in the future depending on if their name is randomly drawn again.)
5. In the event that WJXB cannot get the pre-selected contestant on the phone prior to the contest, a randomly selected caller will then be taken at 865-656-2975.  
\*\*Please note that if the caller is driving a vehicle it must be pulled over and in a safe area.
6. In the event that the contestant cannot participate and notifies the station at-minimum ONE business day prior to playing, they will be scheduled for a future day and notified a minimum of ONE business day prior to playing.
7. Contestants who are selected and play \$1000 Minute from 10/28-11/27/24 will win a \$25 Food City Gift Card and all contestants who play will qualify for the chance to win the grand prize, a \$1000 Food City Gift Card.
8. Contestants can play the contest no more than once during a 30-day period.
9. B97.5 will randomly choose our Grand Prize winner the day of 11/27/24 after we have our final qualifier. (If you do not want to be in the Grand Prize drawing, please inform the WJXB staff after you play the game. You can still accept or decline the qualifier prize.)

**Note:** Due to the nature of our programs that are heard on-line, contests heard on the radio station's Internet audio stream are slightly delayed from the time the contests heard on the broadcast station and may be running behind the broadcast signal. Thus, all contests heard are delayed. This delay can last for 30 seconds up to several minutes. This means that when the station announces winning names in this contest, listeners to the on-line audio stream may be at a disadvantage in participating over those listeners who hear the contest on conventional radio. For this contest, the station will start counting down when the announcement is made on the radio broadcast signal.
