

**FULL SERVICE &
FOOD TRUCK
CATERING**

YOUR EVENT IS IN GOOD HANDS

The fresh flavors of Mexican street food meet the crispy New Haven crunch of wood-fired pizza with our two-concepts-in-one catering service.

Your guests will love being served from our retro food truck for a photo-worthy setup that looks as good as it tastes. Don't need the truck? Our full-service staff will arrive with our stylish catering boxes that also pack a palate-pleasing punch.

We make catering your event effortless, bringing everything needed to dig right in. We handle set-up and supply compostable plates, napkins, cutlery and cups so you can kick back and relax while we keep your guests well-fed. Then we pack it all away to leave your space spotless.

We ask for a minimum of 50 guests per event, and our catering services will include a truck mobilization and staffing fee which will be determined by your event's location and specific needs.

Looking for something extra? Just ask. We'll be happy to work with you to make sure your event knocks it out of the park.
