## **New Business**

- **TBA Ridge Road, Lot 6 – Gregory Raith – Live Tree Removal Review (6:25)**

The members walked the site and viewed the trees to be removed. It was determined that the removal of these trees would not open any view corridors to neighbor and would thin a very densely forested area.

Tom moved to approve the tree removal application. Dan W. seconded the motion with the proposed denotation that 10 not 11 trees were being removed for approval. Tom accepted the additional verbiage. Motion was approved.

Subsequent to the meeting the owner confirmed that the number of trees was 10 that he wished to remove.

- **Other Business**
- Next meeting to be set, proposed on June 20, 2018.
