With a 2 seater sofa from just £999 we've got **British quality you'd expect at prices you wouldn't.**

Our frames are crafted by hand, made in the UK and guaranteed for no less than 10 years.

To stand the wear and tear of family life, why not try our innovative Family Friendly Fabrics which use Aquaclean® technology, meaning you can clean household stains with just water.

Made a decision? All of our furniture is made to order, but selected models are available in just 4 weeks, and we'll deliver your new sofa, fresh from the workshop, to anywhere in the UK.

We'll even put it in the room of your choice and take away the packaging.
