## Assembly instructions for WILLOW, HOLLY, MALLORY, VIOLET, BRIONY, MELODY & HERMIONE

Please follow the instructions carefully · We recommend two people manoeuvre a sofa

**STEP 1**  
Carefully place the chair/sofa unit on its back. Unscrew the 'dummy glides' to reveal the show wood feet locating holes. The 'dummy glides' are no longer required so they can be disposed of.

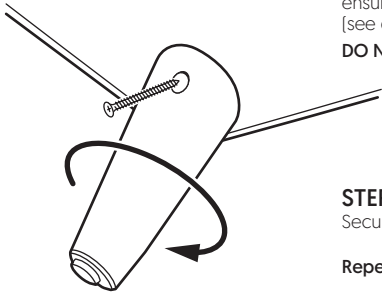

### LEG POSITIONS

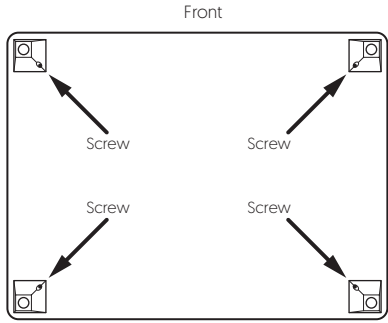

### WILLOW, HOLLY & HERMIONE SOFA & CHAISE

Holly & Hermione 4 Seater have 4 tall glides in the centre of the sofa, these will replace the shorter 'dummy glides' which can be disposed of

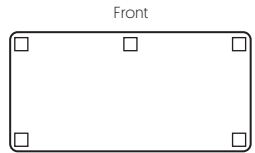

**STEP 2**  
Position a foot in the locating hole and screw into position until **HAND TIGHT** ensuring the foot is positioned correctly [see diagram opposite]  
**DO NOT OVER TIGHTEN LEGS**

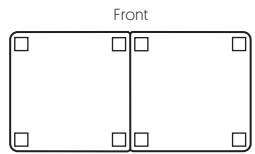

**STEP 3**  
Secure in position with the screw supplied  
**Repeat** the process for the remaining feet

### MALLORY, VIOLET, BRIONY & MELODY

The Mallory 4 Seater requires a centre leg with no retaining screw

The Violet 4 Seater has 4 legs on each unit

**STEP 4**  
Carefully tilt the chair/sofa onto its feet.  
It's now ready for use
