Technical information

The **VENEZIA washbasin mixers** are supplied **WITHOUT HANDLES** in order to ease the storage of all matching **colours**. The **handles** are supplied in a separate box together with an allen key to fix the set screw.

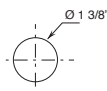

All washbasin and bidet mixers are fitted with 1.2 GPM **flow restrictors** and are supplied WITH PUSH-UP DRAIN.

The **built-in shower mixers** are available in the following versions:

- **THERMOSTATIC** cartridge

BASINS HOLE SIZE:

- For washbasin and bidet mixers.

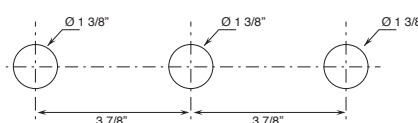

- Three-hole washbasin mixers.

The Murano glass and crystal handles are provided with a metal base to match the finishing of the trim.

The pricing of Venezia items in this section **are not inclusive of the handle(s)**.

Please refer to the handles section for pricing and options.

VENEZIA Murano glass **handles** are made according to the traditional techniques of Venetian glass makers, small differences in the shapes of color fill are distinguishing features of this artisanal handicraft.

When replacing older handles with trims that were installed prior to September 2016 a special fixing kit (Art. 90 00 8944) is required to allow the installation of newer handles with the previous models.

* For spare parts, accessories, miscellaneous items and extensions please refer to specific pricelist sections
