

AL/23

This exploded view diagram illustrates the components of a water filter assembly. The parts are numbered as follows:

- 1**: The main cylindrical filter housing.
- 2**: A small O-ring or seal located at the top of the housing.
- 3**: A small screw or fastener used to secure the top cap.
- 4**: The top cap of the filter housing.
- 5**: A long, thin screw or pin that passes through the cap and housing.
- 6**: A small cylindrical component, likely a filter element or a seal, located inside the housing.
- 7**: A large, flat circular disc, possibly a filter media or a gasket.
- 8**: A complex, multi-part component, likely the filter head or a connector, which is shown being inserted into the top of the housing.
- 9**: A small O-ring or seal located at the bottom of the housing.
