4. Infilare le piastrene (C) all'interno del telaio partendo dagli angoli. 5. Prelevare il telaio schienale/bracciolo ed avvitarlo sulle piastrene con le due viti (D) senza serrare a fondo. Posizionare secondo configurazione prescelta, quindi serrare a fondo. 6. Riappoggiare le doghe e posizionare i cuscini.	4. Insert the plates (C) into the frame from the corners. 5. Take the back/armrest frame and screw it onto the plates with two screws (D) without fastening it tightly. Place according to the chosen configuration, then fasten tightly. 6. Place the slatted bases back in their position and lay out the cushions.	4. Die vier Platten (C) von den Ecken aus in den Rahmen einsetzen. 5. Den Rahmen für die Rücken- und Armlehne mit den beiden Schrauben (D) an den Platten befestigen, ohne die Schrauben vollständig festzuziehen. In der gewünschten Konfiguration positionieren und die Schrauben dann festziehen. 6. Die Lattenroste wieder einsetzen und die Kissen auflegen.	4. Enfiler les plaquettes (C) dans le châssis en partant des angles. 5. Se munir du dossier/accoudoir et le visser sur les plaques avec les deux vis (D) sans serrer à fond. Positionner selon la configuration choisie puis serrer à fond. 6. Reposer les lattes et mettre en place les coussins.	4. Insertar las cuatro placas (C) en el interior del bastidor empezando por los ángulos. 5. Agarrar el armazón respaldo/brazo y enroscarlo en las placas con los dos tornillos (D) sin apretar a fondo. Posicionarlo según la configuración elegida, y luego apretar a fondo. 6. Volver a apoyar las duelas y a colocar los cojines.	4. Вставить четыре пластины (C) внутрь рамы, начиная с углов. 5. Снимите каркас спинки / подлокотника и прикрутите его к пластинам двумя винтами (D), не затягивая их полностью. Расположит в соответствии с предварительно выбранной конфигурацией, затем надежно затянуть. 6. Повторно наложить планки и разместить подушки.
