

With **new Veet Sensitive Precision™**, you can now easily achieve the precise look you always wished for. It quickly and gently cuts & shapes your hair on sensitive and delicate body areas such as face, bikini line and underarms.

- **Quick & Gentle:** easily remove any unwanted hair in one go with no fear of cuts
- **High Precision:** dedicated accessories to get precise shaping and styling

Ideal also for quick touch-ups.

Water rinsable (see user manual for cleaning instructions).

Veet Sensitive Precision™ comes with a broad range of accessories.
