

OUR PHILOSOPHY

From our origins in salons in 1948, we have been driven by a simple truth: every woman deserves to look & feel fabulous, like they've just stepped out of the salon. TRESemmé is dedicated to creating cutting-edge salon quality hair care and styling products. Salon inspired, stylist tested, to help you create your own style and experience that salon feeling, everyday.

TRESemmé. Professional. At your fingertips.™

WHY USE HEAT DEFENCE?

Professional quality formula helps protect hair from damage while blow drying and heat styling. Contains a heat activated complex to help protect hair when drying and straightening. Helps prevent hair becoming brittle and dull, reduces breakage by up to 82% with continued use**.

OUR EXPERTS' TIPS

• Prep your hair with your favourite TRESemmé Shampoo and Conditioner • Unlock the spray by pushing the button at the side of the pump • For soft, shiny results, spray evenly through damp hair • Use a brush to pull hair straight and blow dry from roots to ends • For a really smooth finish, use a hairdryer with a concentrator nozzle • Finish style with your favourite TRESemmé hairspray.
