**Puhdistus/hoito:**

- Puhdista kaluste säännöllisesti pehmeällä kostutetulla liinalla.
- Puhdistukseen voi tarvittaessa käyttää mietoa, neutraalia pesuainetta.
- Älä käytä puhdistukseen hankaavia, syövyttäviä, valkaisevia aineita tai liuottimia tai hankaavia välineitä.

Kausisäilytys/varastointi:

- Puhdista kaluste ennen kausisäilytykseen laittoa.
- Säilytä kaluste kuivassa, ilmastavassa ja viileähdössä paikassa, säältä suojassa.
- Älä käytä polyrottinkikalusteita talvella, sillä pakkanen kovettaa materiaalia, eikä se silloin kestä samanlaista rasitusta kuin normaalisti.

Rengöring/underhåll:

- Rengör möbeln regelbundet med en mjuk, fuktig trasa.
- Använd vid behov ett mildt, neutralt rengöringsmedel vid rengöring.
- Använd inte slipande, frätande, blekande medel eller lösningsmedel eller slipande verktyg vid rengöring.

Säsongsförvaring:

- Rengör möbeln innan du sätter den i säsongsförvaring.
- Förvara möbeln på en torr, luftig och sval plats, skyddad från väder och vind.
- Använd inte polyrottingmöbler på vintern, eftersom kyla gör materialet hårt och det tål inte samma påfrestningar som normalt.
