CURLZ HACKS

Scan me.

Because YOU gotcurlz:

We developed our first co-created range with curly heads for curly heads: Not to tame your curls, but for you to embrace them!

Keep it beachy, keep it wavy:

Our Hydrating Beach Waves Spray infused with coconut water and ocean minerals creates that stunning sea-swept tousled look even after your summer holidays and leaves hair feeling soft and moisturised.

(IT) Spray Hydrating Beach Waves per un look da spiaggia e capelli morbidi e setosi.

(ES) Spray hidratante para ondas playeras.

Better for the planet:

Dispose bottle and pump separately.

(IT) Confezione: Bottiglia >HDPE2<, Pompetta: >PP5<. Smaltire nella raccolta della plastica. Verifica le disposizioni del tuo comune.

* Free from animal derived ingredients.

** Including 91.3 % of water.

Get the look:
