

*You want a braid, a twist or a bun.
You want texture and a look that lasts.
You want visibly thicker, fuller hair every day.*

GET VISIBLY THICKER HAIR SO YOU CAN WORK THE BEST LOOKS.

TRESemmé Collagen + Fullness System*, infused with **COLLAGEN** has been created with **GLYCERINE** to penetrate inside the hair. The system works to plump each strand and instantly helps hair look thicker!

— NEED AN EXTRA BOOST OF VOLUME? —

Our Collagen + Fullness Thickening Balm is your styling essential to get the texture you need for a long lasting thicker & fuller look.

— WHY PRO COLLECTION? —

Get great hair foundation, whatever your style, with our Pro Technology system.

— HOW DO I USE IT? —

After shampooing, follow with Collagen + Fullness Conditioner to help you style your hair more easily. Squeeze a generous amount of conditioner onto the palm of your hand and distribute evenly focusing on mid-lengths and ends first. Leave-in for 2-3 minutes, then rinse thoroughly.

PT: Aplica uma quantidade generosa de condicionador Colagénio + Volume sobre o cabelo molhado, e espalha do meio até às pontas. Deixa atuar durante 2 a 3 minutos e enxagua abundantemente.
