2020/21 TSO REVENUE

2020/21 TSO PHILANTHROPY

We remain exceedingly grateful for the generosity of the TSO's donor community, at all levels of investment. Over 6,000 individuals made charitable donations in the 2020/21 season, along with critical contributions from our corporate, foundation, and government partners. Thank you to each and every one of our supporters for the part you play in our music-making and service to our community.
