With well over 30 years of experience servicing the Gold Coast, Brisbane and Northern Rivers regions, we place an important emphasis on expert service to keep your forklift working and your servicing costs as low as possible. No matter what forklift brand you use, our trained technicians use the latest diagnostic equipment to ensure a fast and accurate diagnosis, saving you time and money. The upkeep of your valuable asset is a must, because lack of maintenance can only result in costly repairs and the compromise of safety to you, your staff and your workplace. Keeping your forklift professionally maintained is vital in ensuring the operator and equipment safety.

GET YOUR OBLIGATION-FREE CAR VALUATION AT STATEWIDE AUTO GROUP

At Statewide Auto Group, we know selling your car can be stressful and leave you wondering if you've got the best price. So, if you're thinking 'how do I sell my car?', then look no further because we've got you covered!

Our team are committed to ensuring your car selling experience is as simple and enjoyable as possible. That's why we offer obligation-free car valuations to provide a competitive and transparent trade-in offer in no time at all.

Whether you just want to downsize, upgrade or sell your car, we'll tailor an offer to suit your needs and leave you confident you've made the right decision. We're happy to offer cash-in-hand, or if you're looking to trade-in your car for one of our Used Cars, this can significantly reduce the driveaway price.

To arrange your obligation-free car valuation at our Capalaba dealership, simply complete our enquiry form online or Contact our friendly team today.

Great experience dealing with John in the team.  
Great trade in value for my BMW and easy competitive finance.  
Can't wait to take my new Prado up the beach!
