With well over 30 years of experience servicing the Gold Coast, Brisbane and Northern Rivers regions, we place an important emphasis on expert service to keep your forklift working and your servicing costs as low as possible. No matter what forklift brand you use, our trained technicians use the latest diagnostic equipment to ensure a fast and accurate diagnosis, saving you time and money. The upkeep of your valuable asset is a must, because lack of maintenance can only result in costly repairs and the compromise of safety to you, your staff and your workplace. Keeping your forklift professionally maintained is vital in ensuring the operator and equipment safety.
