

AUSMV VEHICLE WARRANTY

AUSMV provides the Standard New Car Warranty and the Extended New Car Warranty to your new vehicle.

AUSMV vehicles come with guarantees which cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

These warranties:

- (a) do not exclude or limit any condition, warranty, guarantee, right or remedy implied by any applicable Federal, State or Territory legislation;
- (b) may be in addition to other rights and remedies you may have under any applicable Federal, State or Territory law in relation to the vehicle, including any rights under the Australian Consumer Law; (c) only apply for the Australian domestic market and not for any overseas markets.

NEW CAR WARRANTY

The New Car Warranty consists of either the Standard New Car Warranty or the Extended New Car Warranty. It is important to note that the Extended New Car Warranty is separate from the Standard New Car Warranty.

STANDARD NEW CAR WARRANTY

First three (3) years (from the date of initial registration) or 100,000km.

AUSMV warrants that the vehicle will be free from defects in materials and factory workmanship under conditions of normal use and service within Australia during the period commencing on the date the vehicle is first registered and expiring 3 years later, or until the vehicle has been driven a distance exceeding 100,000km whichever occurs first, except where items are expressly excluded. An eligible warranty claim must be made at the time a defect appears prior to the expiry of the time period or distance driven. The Standard New Car Warranty is subject to the vehicle being serviced in accordance with the service schedule at the specified servicing intervals for the duration of the Standard

EXTENDED NEW CAR WARRANTY

Up to five (5) years from the date of first registration or 160,000km.

AUSMV warrants under the Extended New Car Warranty that the vehicle will be free from defects in materials and factory workmanship under conditions of normal use and service within Australia during the period commencing on the date the vehicle is first registered and expiring 5 years later, or until the vehicle has been driven a distance exceeding 160,000km whichever occurs first, except where the items are expressly excluded. An eligible warranty claim must be made at the time a defect appears prior to the expiry of the time- period or distance driven. To be eligible for the Extended New Car Warranty, the vehicle must have had all scheduled services performed within our service network from the first service onwards. If this condition is not complied with, the Extended New Car Warranty will immediately expire on and from the date the conditions are not complied with. For example, if you service your vehicle at an AUSMV location or approved AUSMV partner service centre for the first four regular annual services, but the 5th is not performed by the required time or distance (whichever occurs first), or occurs outside of the AUSMV service network, the Extended New Car Warranty will expire on and from the date that the 5th annual service should have been performed within the AUSMV service network. Each regular service must be performed within twelve (12) months or 12,000km from the scheduled time or distance (whichever occurs first).

AUSMV VEHICLE WARRANTY

GENUINE PARTS WARRANTY

AUSMV warrants that genuine parts will be free from defects in materials under the conditions of normal use and service within Australia for 12 months or 12,000km (whichever occurs first) from the date of fitting to the vehicle.

When genuine parts are replaced under the New Car Warranty because of a warrantable defect, those parts are covered for whichever is the greater of:

12 months or 12,000km (whichever occurs first) from the date of fitting; or

the balance of the Standard New Car Warranty or Extended New Car Warranty (as applicable) except where any of these warranties exceed the service life of the component.

Genuine parts replacement may at times include reconditioned and/or exchange parts.

GENUINE ACCESSORIES WARRANTY

AUSMV warrants that all genuine accessories will be free from defects in materials under conditions of normal use and service within Australia. These genuine accessories are fitted prior to taking delivery of the vehicle and are covered under the Standard New Car Warranty.

When genuine accessories are fitted by AUSMV after the owner has taken delivery of their vehicle, the genuine accessories are warranted for the balance of the Standard New Car Warranty.

PROTECT YOUR WARRANTY

Regular maintenance of your AUSMV vehicle, in accordance with the recommended service schedule at an AUSMV location or approved AUSMV partner service centre is the best way to protect your new vehicle. By having your vehicle maintained through our service network, it is being serviced by certified experts. This will ensure that your vehicle and its warranty are protected. Non-genuine parts are not covered by your New Car Warranty. If a non-genuine part is fitted to your vehicle and the part causes any damage, the damage will not be covered by your New Car Warranty. AUSMV does not approve of fitting of aftermarket performance enhancing products such as (but not limited to) power chips, force induction products, suspension components, exhaust modifications etc.

PERFORATION CORRSOSION WARRANTY

(5 years from date of first registration)

AUSMV warrants that the original equipment sheet metal components of the vehicle will be free from holes formed as a result of the corroding of those components under conditions of normal use and service within Australia during the period commencing on the date the vehicle first registered or put into service for any purpose (whichever occurs first) and expiring 5 years later ("Perforation Corrosion Warranty"). The Perforation Corrosion Warranty is subject to the proper care and maintenance standards of the vehicle.
