

HYDRO^{G9+}

SUPERIOR PERFORMANCE

NEW FORMULA SURFACE COATING **WITH GRAPHENE.**
NOW TOUGHER THAN EVER.

EXTERIOR PROTECTION

WHEN YOU NEED IT MOST

HYDRO G9+ delivers exceptional levels of hardness which translates to increased resistance to the elements and UV stability offering greater defence against fading and oxidation of clear and base coats. This newly formulated surface coating bonds deeper into the vehicle's paintwork, is noticeably smoother to the touch and optically brighter.

PROTECTS AGAINST:

- Weather induced oxidisation, fading and loss of gloss
- Bird and bat droppings
- Tree sap
- Bug splatter
- Bore water
- Water marks
- Rail dust
- Fallen leaves
- Clear coat delamination (limited 6 year warranty for vehicles less than 12 months old at date of application).

INTERIOR PROTECTION

ADVANCED HYDROPHOBIC FORMULA

HYDRO G9+ interior product range includes newly formulated protective coatings for leather, vinyl, plastics, fabric and carpet.

These interior surface coatings ensure maximum stain resistance plus protection from the damaging effects of UV, resulting in complete peace of mind that your vehicles interior is fully protected.

PROTECTS AGAINST:

- Food stains
- Drink stains
- Discolouration*
- Dehydration
- Make-up
- Sunscreen
- Mould and mildew growth

HYDRO^{G9+}

SUPERIOR PERFORMANCE

NEW FORMULA SURFACE COATING **WITH GRAPHENE.**

THE **GRAPHENE** DIFFERENCE

HYDRO G9+ Surface Coating is formulated using Graphene, and although just one atom thick, delivers incredible strength bringing added durability and long lasting protection to the surface of your vehicle.

SMOOTHER & BRIGHTER THAN EVER

HYDRO G9+ hydrophobic qualities provide exceptional water beading, resulting in significantly less 'water spotting' to the vehicle's paintwork. Additionally, this new and improved formula offers extreme hardness, delivering improved gloss and colour.
