## SUPAFIT SEAT COVERS

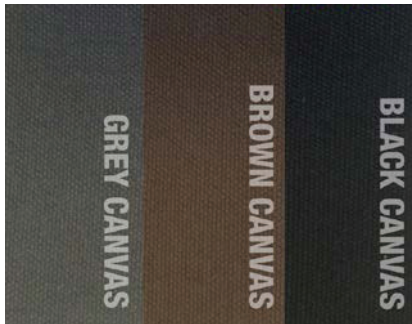

SupaFit Seat Covers are manufacturers of premium Australian aftermarket protective seat covers, custom made to fit most makes and models of vehicles and machinery on the Australian market.

We use only top quality materials to guarantee the highest levels of quality and comfort across all our custom made seat covers.

As leaders in our industry, SupaFit Seat Covers proudly offers Australia's safest Seat Covers with our industry approved airbag deployment seam technology providing total confidence and peace of mind that SupaFit airbag compatible seat covers are 100% safe to use on seats with airbags.
