Adventure *happens*

Fusion Quartz is the latest Nanotechnology Siloxenite™-Titanium 9H* formulation for harder, more durable surface coating and ultimate protection for your vehicle.

Keep your vehicle looking like new with a deep gloss exterior and easily maintain pristine conditions for your interior - fabric, carpet, leather and vinyl. Cleaning and ongoing maintenance has never been quicker or easier.

Australian owned. National warranty. No annual inspections.

Siloxenite™ is a Silica-Ceramic glass like formulation. *9H refers to the Mohs rating.
