

KIA Australia New Vehicle Warranty Terms and Conditions

Important Notice

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

The benefits given by the KIA New Vehicle Warranty are in addition to other rights and remedies available to you under a law in relation to our goods. The KIA New Vehicle Warranty should not be read as excluding, restricting or modifying the rights and remedies that are available to consumers under statute, including the Australian Consumer Law. These rights and remedies may be greater than your rights under the KIA New Vehicle Warranty.

Terms and Conditions

This KIA New Vehicle Warranty coverage is subject to the conditions outlined under:

1. Warranty Policy Statements
2. What is Not Covered
3. Owner's Responsibilities

This KIA New Vehicle Warranty applies only to KIA Vehicles sold by authorised KIA Dealers that are registered and operated within the territorial limits of the Australian mainland and Tasmania.

What is Covered
