

## Off-road lift table truck XOFFROAD

### Why XOFFROAD?

Our XOFFROAD off-road push bar lift table truck not only enables easy loading and unloading in a normal environment such as warehouses or other indoor spaces, but also off-road as well as on construction sites and uneven gravel sites. With a load capacity of 200kg, machines, racks or storage areas can be filled without any problems due to the large ground clearance in outdoor areas.

- Problem-free use **indoors and outdoors**
- Optimal use for uneven surfaces due to the **large ground clearance**

- Quiet running and good off-road capability due to **large-profile rubber rollers**
- With a table size of 1000 x 500 mm also very suitable for **bulky goods**
- Allows pleasant, **ergonomic work**, due to the flexibly adjustable table height of 1010 mm
- Features a **foldable push bar**

## Technical data

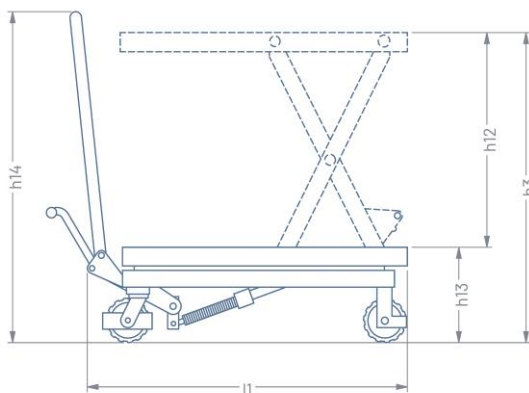

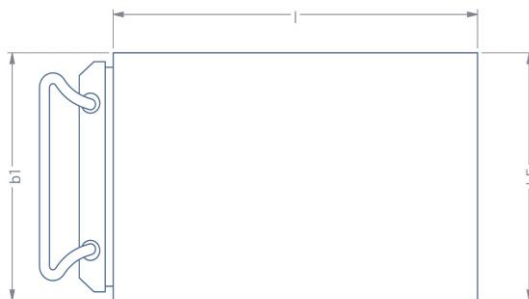

### Off-road lift table truck XOFFROAD
