

Scrubber-dryer SCRUBBER-L

Why choose the SCRUBBER-L?

The SCRUBBER-L is a high-performance industrial scrubber-dryer designed for large areas. Thanks to its high cleaning output, a generous 120-litre (32-gallon) tank and maintenance-free high-performance batteries, it is ideally suited to demanding cleaning tasks in supermarkets, hospitals, shopping centres, airports, sports arenas, warehouses and more.

- **Cleaning coverage:** Cleans up to **4,860 m²/h**
- Three speed settings up to **6.5 km/h** – including ECO mode for quiet operation
- The **810 mm** wide **nylon brush** reliably cleans a variety of floor surfaces
- **Fresh and waste water tanks: 120 litres** capacity each, with side-mounted filling ports for time-saving refilling.
- A waterproof **touch panel** with **LCD display** for easy operation and quick maintenance indicators

- Powerful **760-watt brush motor** and **600-watt suction motor**
- **820 mm** wide **scraper surface** made from die-cast aluminium – brush holder with quick-change mechanism
- **Dimensions:** 1,260 x 600 x 1,010 mm
- **Electric raising** and **lowering** of the brush and suction feet at the touch of a button
- **Automatic defoaming** and alarm system
- **Water control:** regulation of water flow for targeted, economical use
