

Scrubber-dryer SCRUBBER-M

Why choose the SCRUBBER-M?

The SCRUBBER-M is a compact ride-on scrubber-dryer designed for professional floor cleaning in confined spaces, lifts and multi-storey premises. It is ideal for PVC, tiled floors, epoxy, marble and terrazzo. Additional brush materials for other floor types are available on request

- **Cleaning area:** Cleans up to **3,100 m²/h**
- Electric drive with infinitely variable speed control up to **6 km/h** allows for precise manoeuvring forwards and backwards
- The **530 mm** wide **nylon brush** reliably cleans a variety of floor surfaces
- Generous **70-litre fresh water tank** with a large filling opening at the front
- **70-litre waste water tank** with removable lid for easy access for cleaning and maintenance
- An intuitive **touch panel** with **LCD display** ensures easy control of all machine functions
- Powerful **brush and suction motors, each rated at 550 watts**
- **780 mm** wide **scraper bar** made from die-cast aluminium – brush holder with quick-change mechanism
- **Dimensions:** 1,415 x 600 x 1,010 mm
- **Electric raising and lowering** of the brush and suction feet
- **Automatic defoaming** and alarm system
- **Ergonomic seat:** low entry height, comfortable working even in confined spaces
