

Scrubber-dryer

SCRUBBER-XS

Why choose the SCRUBBER-XS?

The Scrubber-XS walk-behind scrubber-dryer is ideal for the efficient cleaning of small to medium-sized areas. Its intuitive operation and quiet running make it versatile for use in day-to-day operations. In short: the perfect entry-level model for cleaning narrow aisles in warehouses, supermarkets or offices.

- Delivers fast and thorough cleaning with a **cleaning rate** of **up to 1,200 m²/h**
- The robust **nylon brush**, with a diameter of **350 mm**, is driven by a powerful 300-watt motor
- The durable **aluminium squeegee**, **430 mm wide**, and the **350-watt** suction motor leave floors instantly dry and ready for use
- **The 20 Ah, 24 V gel battery** enables **up to 1.5 hours** of continuous operation
- The integrated **fresh water tank** has a capacity of **11 litres** and is easy to fill via a generous opening (**waste water tank: 12 litres**)
- A **waterproof control panel** with one-touch start ensures **easy operation** without the need for extensive training
- **Compact dimensions:** 680 x 380 x 1020 mm
