

## Lever hoist LEVERPRO

### Why the LEVERPRO?

The LEVERPRO lever hoist is an indispensable tool in the industrial sector, ideal for lifting, pulling and lashing loads.

- Load capacity up to **9000kg**
- **Vertical and horizontal** lifting or pulling of loads possible
- Flexibility thanks to **360-degree rotating load and fastening hook with safety bar**
- The **overload protection** protects against overloading and ensures a long service life
- **The freewheel function** enables the load hook to be positioned quickly and precisely
