

## Manual pallet truck FIVE

### Why the FIVE?

The FIVE hand pallet truck is our entry-level pallet truck for picking up and transporting pallets. Euro pallets, one-way pallets and pallet cages can be moved easily with its forks. The models are adapted to a wide range of requirements, so that a suitable industrial truck can be found for many different applications.

- Reliably loadable with **up to 2500 kg**
- It should be noted that the load must **always be evenly** distributed on the forks
- **Tyres:** different types of tyres for different purposes
- **Small turning radius** makes it ideal for use in narrow aisles and confined sales areas
- **Ergonomic handle**

- **Fork length of 1150 mm** designed for the transport of any type of pallet
