

Manual high lift truck with removable platform GO

Why the GO?

The Pallit GO is a versatile truck and panel van transport device for half pallets, displays and special pallets. With the platform, it can also be used as a lift table trolley for ergonomic working.

- **Stepless lowering** by turning the rotary knob
- Use in confined spaces due to **high manoeuvrability**
- Attachment and removal of the platform with **a handle**
- **Fork length of 650 mm** ideal for transporting half Euro pallets
- Very mobile due to **low weight**, therefore also suitable for transporting
- **Versatile applications:** Warehouses, workshops, as a truck-mounted pallet

truck, production, assembly and order picking
