

Electric platform stacker GO-E

Why the GO-E?

The compact GO-E electric platform truck with electric lift and removable platform combines not only lifting and transport equipment, but also a work table in one device. In addition to lifting and moving unpalletized goods, the electric stacker can also be used as a work table on a daily basis in warehouses, workshops and retail outlets.

- **Ideal for order picking work** or depositing and transporting parcels, boxes and tools
- **Electric support** for a lifting height of up to 1500 mm
- **Thanks to the removable platform**, half pallets or one-way pallets can also be picked up and transported

- **Ergonomic working:** Back problems are a thing of the past thanks to its use as a work table
- Loads **of up to 400 kg** are no problem
- **360-degree swivel castors** increase maneuverability and ensure easy manoeuvrability
- Battery can be easily charged via the **integrated charger** at any 230V socket
