4L60E-PR New valve has longer lands on the outboard end. This adds support for a worn pump casting. **4L60E-RPR-OS** is available for badly worn bores.

Regulator Valve

New Gold Spring Seat Step 1.

Always use New Spring, Gold Seat and New Orange Bumper Spring with this New PR Valve.

This land is purposely made under sized to provide additional lube.

New ORANGE

Bumper

Step 2.

Reuse Main Regulator Spring.
If using this Valve with any other TransGo Kit use the Spring provided in that Kit.

Boost Valve

Snap Ring
