

# F4A-Valve Kit 3\00

Ford: F4EAT and 4EAT-GF  
Mazda F4A-EL and GF4A-EL

## Complaints:

**Original** valve *sticks* causing very **low** line **pressures**:  
Slips, burns clutches, won't drive forward or backwards.

**Self cleaning** valve and high rate spring **reduces sticking**.

**New Valve:**  
Self Cleaning

**GREEN**

"Thanks for listening"  
Gil Younger

**SAVE MONEY:** More fix for your \$.  
This self cleaning Valve Kit is included in F4A & GF4A Shift Kits®.
