Our proposal is mainly due to the convenience of a less formal meal than a lunch, together with the possibility of serving yourself from a buffet on which it is permissible to offer any type of food, whether sweet or savory.

The clothing is absolutely informal and can be accessed directly from the swimming pool, which is included in the post-wedding brunch package from 10:00 to 16:00 during opening periods.

Pool towels are provided by the property

Any rooms must be vacated by 11:00 but we will provide a support room

for luggage and bathrooms for changing at the end of the day.

Our brunch

**it is made up of hot and cold, sweet and savory dishes
The choice of food for brunch really leaves a lot of room
for imagination:**

**eggs, bacon, savory pies, filled mini sandwiches, creams
to spread on the variety of breads and accompany with
vegetables, focaccia and pizzas, baked pasta, lasagnette,
rice salad, and to finish the delicious sweets ...**

**As drinks, in addition to the varied cafeteria, we offer
orange juice, flavored waters, water, ½ liter of white or
red house wine**

€ 50 per person for adults

€ 25 for children aged 4 to 10
