Zunfthaus zur Saffran

WELCOME.

The three-storey Zunfthaus zur Saffran was built in the 18th century and has been preserved in its original form to this day. The historic premises in the middle of Zurich provide an exceptional setting for aperitifs, birthdays, weddings, business lunches, banquets, readings, auctions or exhibitions. For 20 to 250 guests, we design an event entirely according to your wishes. Discretion and hospitality included.
